

## DARK WEB MONITORING

COME ON,  
WE'VE ALL  
DONE IT

Raise your hand if you have used your favorite password for multiple websites.

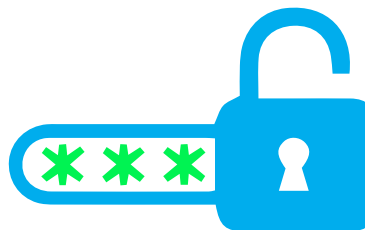

**HACKED!**

**DON'T WAIT UNTIL IT'S  
TOO LATE!**

85% of businesses with <1000 employees have been hacked, and most don't even know it yet.

### BE AWARE

Charles IT provides real time awareness of compromised credentials, alerting you the same day to reset and secure your credentials.

### THE DARK WEB

Don't worry, you don't need to search for the dark web. Charles IT will connect to multiple dark web services on your behalf to search for any possible compromised credentials.
